What Is a Finnair Airlines DOB Change? A Finnair Airlines DOB Change refers to correcting an incorrect date of birth on an existing reservation. This type of correction may be requested if the wrong birth date was entered during booking. Eligibility typically depends on: • The type of ticket purchased • Airline policies • The nature of the error • Supporting documentation A DOB correction is generally intended to fix genuine booking mistakes rather than transfer a ticket to another traveler. How to Request a DOB Change If you discover an incorrect birth date, request the correction as early as possible. The usual steps may include: 1. Locate your booking confirmation. 2. Contact the travel agency or booking support. 3. Explain the birth date error. 4. Provide supporting identification. 5. Wait for the correction request to be reviewed. Depending on the request, processing time may vary. Some corrections may be completed quickly, while others may require additional verification.
